

SUNDAY 3RD FEBRUARY, 8:15 – 10:00, arrive 8pm

*READING INTERNATIONAL SOLIDARITY CENTRE,
London Street, Reading RG1 4PS*

We are in an unprecedented global emergency.

In this public talk, members of Extinction Rebellion will share the latest climate science on where our planet is heading, discuss some of the current psychology around climate change denial and offer solutions through the study of social movements.

EVERYONE IS WELCOME.

There will be plenty of time to ask questions and you'll hear about how to join the Extinction Rebellion movement.
